

SERVANT'S HEART

"Though I am free, I make myself a servant to all, to win as many as possible" 1 Cor 9:19

APRIL 2004

LET ALL THAT YOU DO BE DONE IN LOVE

There are numerous ways the Lord Jesus could have demonstrated his power while here on earth. He could have moved mountains, cursed whole forests, preached his sermons standing on water, but instead He chose healing as a primary way to demonstrate his power. His healing others is what demonstrates His LOVE. The Lord has compassion on all of those who suffer. He healed those who did not even thank him for it, because HIS love does not require appreciation. Jesus Christ is still healing the suffering, whether it be suffering in the physical body, emotional suffering, or mental suffering. When Jesus died for our sins on the cross he died for ALL of our infirmities as well. Matthew 8:17 says "He himself took our infirmities and bore our sicknesses." He bore the physically blows to his body and he also bore every spiritual, demonic blow, every evil, he endured it at that darkest hour. Isaiah 53: 5 "He was wounded for our transgressions (sins) He was bruised for our iniquities... by his stripes we are healed." This is why He moved heaven and earth so He could reach out to us and SAVE us. This is our salvation, and we are called REDEEMED from the curse of sin, sickness and the grave. We who are in Him have eternal life! There is not a single case in the Bible where someone came to Jesus for healing or deliverance and was rejected. Love simply will do all it can to help others. How would our day be different if we did everything today out of love? God is stirring in his people THE PASSION to love one another. With this passion, as we love one another we will truly know what it means to love Him. Love releases God's power because love is the REASON for the demonstration of His power.

"But the goal of our instruction is to love from a pure heart and a good conscience and a sincere faith.

WOW, what a month we have had! We had two groups in a row, one from South Dakota and the other from our home church in Orlando. We have been spending most of the time out at the Teen Challenge farm. We are finishing the chapel and the duplex, the septic tank, and the water system. We are also starting a new daily schedule for the boys and using the Teen Challenge curriculum. The boys have been adjusting and are looking forward to the wood shop, welding shop, and trade school that will be built later.

Please pray that we would have wisdom. Being leaders to these boys is not easy. We are going to start raising up an evangelism team and a worship team. We are trying not to put too much on them but we have a waiting list of boys wanted to come and change their lives. In October we are planning to start the second dorm. This will give us house for 80 boys!

There has already been a request for us to start a girls program and an offer of free land! This will have to wait until next year though. It would be the first woman's program in the country. Please pray about this.

We also bought another car this month. We are really worried about our other with over 220,000 miles it was not running well. I shared out need with some friends and they had a dream about us having car problems. They helped us buy a great used diesel truck that will give us years of use.
